Other short-term liabilities as % of Total Liabilities	6.47%
Other short-term liabilities as % of Total Assets	5.54%

(vi) Institutional set-up for liquidity risk management:

The Board of Directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk. The Board approves the governance structure, policies, strategy, and the risk tolerance limit for the management of liquidity risk.

The Board of Directors approves the constitution of Risk Management Committee (RMC) for the effective supervision and management of various aspects including liquidity risks faced by the company. The meetings of RMC are held at quarterly interval.

The Board of Directors also approves constitution of Asset Liability Committee (ALCO), consisting of the Company's top management, which functions as the strategic decision making body for the asset-liability management of the Company from risk-return perspective and within the risk appetite and tolerance limits approved by the Board. The role of the ALCO also includes periodic revision of interest rates, diversification of source of funding and its mix, maintenance of enough liquidity and investment of surplus funds. ALCO meetings are held once in a quarter or more frequently as warranted from time to time. The minutes of ALCO meetings are placed before the RMC and the Board of Directors in its next meeting for its perusal/approval/ratification.
